"BUSY BROOK CIRCLE" OF SUNSHINE SOCIETY

The "Busy Brook Circle" of the International Sunshine Society, organized last night at 1258 Omaha street, Brookland, D. C., is an exceptionally promising one. The members have some excellent ideas for their own amusement and for bringing a little sunshine into the world for others. They have in mind the Children's Hospital, and they are going to do many things to bring a little sunshine into that place. They are making scrapbooks and buying books to read which they will send there. One of the boys in the circle can draw comic pictures, and he will make a book of them for that purpose. In the sunmer they will give a lawn party to raise money for the incurables, and will go out in a party to gather wild flowers for them. Some of them are musicians and will give concerts.

The members are John Williams, president; Catherine Davis, secretary; Evelyn Williams, Ollie Wakefield, Martina Caton, Paul Davis, Nelson Davis, and Arthur Williams. ternational Sunshine Society, organized

Special Rates to California.

Until the 15th of May very special rates to California will obtain via the Sunset Excursions of the Southern and Southern Pacific Companies, making such a trip more attractive than ever to all who are economically inclined. Tourist sleepers are employed for this service, and while they provide every essential necessary to thorough comfort, they cut much from the expense of Pullman travel. The route is the most desirable one to the West, and as the trips are personally conducted they assume somewhat of the nature of private enterprises. The charge for through berths is very small. Particulars may be obtained at the office of A. J. Poston, general agent, 511 Pennsylvania avenue, or at 705 Fifteenth street.
